**Re: KS2 Maths Parent Workshop: Tuesday 14<sup>th</sup> March 2023**

Department  
for Education

**"By the end of Y4,  
children MUST recall  
multiplications up to**

Dear Parents/Carers

Next week, on **Tuesday 14<sup>th</sup> March**, Year 4 will be holding a workshop after school with parents to help you to support your children with their times tables.

The workshops will take place in both Kingfishers and Woodpeckers classrooms and will begin at **3.05pm**. Children are required to join parents in classes and we will be discussing and showcasing ways in which you can help to support and improve their grasp of times tables in preparation for the Multiplication Tables Check at the end of Y4.

If you have any questions about this meeting beforehand, please do not hesitate to speak to us.

We appreciate that it can be difficult with younger or older siblings during pick up times and as a result we are allowing parents to bring younger children to this event. However, where possible, please avoid bringing younger children and babies as this event may not be suitable for them.

Please book your place for the event via EventBrite now... <https://tinyurl.com/2nynvtmj>

The Eventbrite logo, consisting of the word 'eventbrite' in white lowercase letters on a red rectangular background.

Yours Sincerely,  
Mr Walmsley and Mr McKnight-Shaw
