Dear Parent/Guardian, **ROAD SAFETY** We had a near miss in the carpark this week, where a Barden pupil ran across the road without looking, in front of a van. We have spoken to all children about taking care on the roads. If you collect your child from school, please ensure you supervise them appropriately and use the pathways and pedestrian crossings. If you don't collect your child from school, please speak with them at home about keeping safe on the roads. Thank you *Mrs C Holgate*, Headteacher

DATES: School closes for half term after school on Thursday 20th October. School reopens on Monday 31st October.

MacMillan Coffee Afternoon

Thank you so much to our parents and carers for all your support with

our MacMillan Coffee Afternoon. We raised an incredible £500! That is amazing. Thank you so much.

Fun in the EYFS!

In reception we are learning about real life superheroes, this week we learnt all about doctors and nurses. Nurse Elliot came to tell us all about her important job and she brought lots of things for us to look at. We had lots of fun!

Uniform Reminder

Our children are looking really smart for the start of term, thank you for your co-operation with this. A few polite reminders.

- Jewellery is not permitted in school (including earrings). Plain watches may be worn.
- No make-up or nail varnish should be worn.
- Hairstyles must be sensible and appropriate for school; extreme haircuts are not acceptable. Tram lines or patterns are not allowed.

Harvest Festival

We will be holding our Harvest Festival assembly on Monday 3rd October. Please, if you are able to, send in a donation for the assembly. All items donated will be given to Burnley Community Kitchen Foodbank to help local families and individuals. Thankyou.

PARENTS OF CHILDREN IN YEAR 6

If your child is in Year 6, you need to apply for your child's secondary school place.

The national closing date for applications for Year 7 places is 31st October 2022.

You can apply online

[Apply for a school place - Lancashire County Council](#)

There is a great 'top tips' video to help you here <https://www.facebook.com/watch/?v=398914274112964>

If you need support with your application, please ask at the school office and we can arrange for somebody to assist you (you can even use our school computers if you do not have internet access at home).

Please make sure you do not miss the deadline of 31st October for submitting your child's application. If you miss this deadline, a late application will reduce your chances of getting your preferred school.

We're here to help! Please come and speak to me if you need any advice or guidance. Mrs Holgate

curriculum

What has your child been learning about in class this week?

If your child's class isn't in the newsletter this week, they will be next week.

R- Owlets

We had a visit from Nurse Elliot, a real life nurse! Wow! We found out about her uniform and the equipment she uses in her job. We have been learning about doctors and singing. Miss Polly had a Dolly. We have been painting our self-portraits and singing Little Rabbit Foo Foo!

1- Sparrows

What a great week we have had. Children have enjoyed learning about Pablo Picasso and have produced some fabulous art work using happy and sad colours that Pablo used. In English we have enjoyed continuing our work around Harry the Happy Mouse.

2- Swallows

Another amazing week, Swallows! In English, we have been finding out about 'real' wolves, asking lots of questions and collecting facts. In maths, we have been comparing numbers and counting on in 2,10,5 and 3s! PSHE was fun this week as we decided on rewards and consequences for different behaviours. Settling well, Swallows we are very proud of you so far! Keep it up!

3- Doves

Doves have had another great week this week! In English, we have started to create our own stories about Paddington and describing the different messes he might make in the Brown's house. In Science, we have been learning about the digestive system and what happens to our food once we have eaten it. In art, we have also been investigating different methods of shading. Well done Doves, keep up the hard work!

4- Kingfishers

This week in Kingfishers, we have started our second maths topic, looking at column addition and subtraction with exchanges! In English, we have started reading The Treasure of the Loch Ness Monster and we have now finished looking at Ancient Egyptian history but are really looking forward to starting our Art project with everything we have learned in mind, as we make Shabti dolls in the coming weeks. Keep up the hard work!

5- Jays

An exciting week in Jays! In English we have been researching different mythical creatures, preparing to write a non-chronological report next week. In maths we have finished place value and have moved onto addition and subtraction, learning how to add and subtract numbers with more than 4 digits. Jays have had a super start to the year and have filled up their jar of joy! We celebrated with a movie afternoon, watching the film of our class novel, The Lion, The Witch and The Wardrobe.

6- Kestrels

This week, we have been busy creating new and exciting rooms for The Nowhere Emporium in our English lessons; ready to start writing about them next week. In Maths, we have started our unit on Addition, Subtraction, Multiplication and Division and have been learning about square, cube and prime numbers. We have also been investigating time zones, fossils and sketching techniques. We have had a great week!
