Barden Primary School
Only my best is good enough for me

Dear Parent/Guardian,

It has been a great day for Sports Day today. Well done to all the children and thank you to all the parents and carers that were able to attend.

You should have received a text message with a link to the staffing arrangement for next year. Here is the link if you do not have it already. <https://bit.ly/3xIDKEQ>

Have a great weekend everybody!

Kind regards, Mrs Holgate, Headteacher

Thank you for your continued support. If you should have any questions or concerns, please do not hesitate to contact school to speak with us.

01282 226777 You can also catch me on the yard most mornings before school.

DATES:

School finishes for the summer holidays on Friday 19th July at 3.05pm. School will re-open on Tuesday 3rd September 2024 at 8.35am.

Wednesday 10th- Friday 12th July	Borwick Hall residential trip.
Friday 19th July @ 3:05pm	School finishes for the Summer holidays. School will re-open on Tuesday 3rd September.

Curriculum

What has your child been learning about in class this week?

If your child's class isn't in the newsletter this week, they will be next week.

Swans

We have had a fantastic week in Swans class, enjoying this term's theme of 'Dare to be Different'. In PE we have been learning different dances from around the world and this week we learnt about Bollywood dancing and rehearsed some of the dance moves together. We really enjoyed the different style of music. We have also been busy sorting pictures of past and present Burnley in our history.

R- Owlets

It has been another fantastic week. We have created the most amazing maps - on paper and using construction materials. We continued our story of 'Pirates Love Underpants' and had some good ideas about how the pirates can go on the quest for the gold pants. We have made pirate dens, sang pirate songs and used pirate language! Don't worry we were kind pirates!! We have been amazing athletes participating in sports day.

1- Sparrows

We have had a brilliant week in the Sparrows. The children have been looking at Thomas in the Tank Engine in English and creating their own adapted writing. In Maths, the children have been learning about money, looking at coins and notes. The children have been practicing for Barden's Got Talent, showcasing their brilliant skills!

2- Swallows

We have worked super hard this week. Our position and direction learning was a challenge this week-keep practising turning left and right! A super effort placing the Great Fire of London events into chronological order and lots of reasons for why the fire spread. A great effort finishing off our assessments this week, you have all tried so hard. Well done.

3- Skylarks

We have had a super week in Skylarks. We have started our work on shape in Maths and are doing well with it. We have done a great job on our shared writes of our stories and are looking forward to writing them independently next week. We have started our pointillism paintings of our rivers in Art and they are looking really good. We have auditioned for the talent show and are excited!

4- Woodpeckers

We have had a great week. We are so proud of their times tables results and their continued effort in the last few weeks of year 4. We are looking forward to starting our newspaper unit in English and we are also coming to an end of our time topic in Maths. We have been learning about Boudicca in History and why she is such a significant figure.

5- Puffins

We have had another great week in Year 5 this week. We have done a great job in our negative numbers unit in Maths. We have continued working hard on some assessments and complete two Science experiments to deepen our understanding of friction and air resistance. We have completed some fantastic tessellation art based on the works of M C Escher. We have finished the week audition for Barden's Got Talent and practicing our skills for sports day!

6- Eagles

The children have loved their week! The children loved our leavers trip to the cinema. They were brilliantly behaved throughout and a real example of what a 'Barden pupil' is. They had plenty of treats and the stack of pizza boxes (all empty) was taller than most of the children. The work hasn't stopped though, the children have been using their maths skills to design a zoo. They have been thinking about budgets and how they can make a profit once their zoo opens. Two weeks to go year 6!

FREE

Thursday 11th July Parent Webinar 6pm - 7pm

Understanding low mood Workshop

We would like to invite parents/carers of young people to a workshop which explores Low mood-

The Webinar explores :

- Learn more around possible signs and symptoms of low mood in children and young people.
- Consider way to support your child if they are experiencing low mood.
- Recognise when and how to request specialist support for your child.

Parents are welcome to ask questions or share any tips or strategies that they find beneficial in supporting their child.
