

		3	:	1
6				2

Maths

Children will use their mathematical skills in the areas of Ratio, Algebra and Decimals. They will also have the chance to complete regular homework to consolidate their understanding.

Year 6

English

Children will explore the horror genre through the novel *Seven Ghosts*. The story follows a boy who begins to encounter a series of ghosts, each with their own mystery and unfinished business. As the tension builds, the reader slowly uncovers the secrets behind the hauntings.

Science

Children learn how light travels in straight lines, how it reflects and refracts, and how this affects what we see, shadows, and the way optical devices work.

History

Children will learn about The Golden Age of Islam. We will focus on how the Ancient Islamic Civilisation was significant. They will find out about the main discoveries in Baghdad and the impact these had on the wider world.

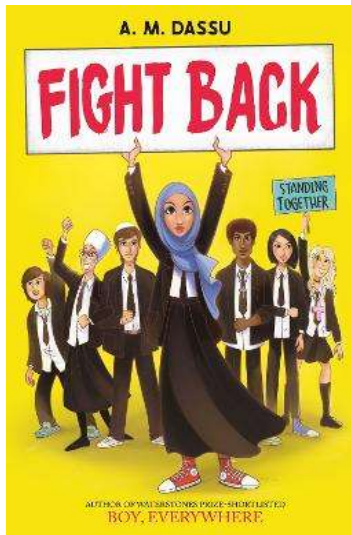

DT

Children will use their previous understanding (and link new learning in science) of electrical circuits to create a range of circuits that could like up an interactive quiz. They will use computer programming to enhance their circuit.

Spring

1

Key Texts

PE

In this unit, pupils explore how dance has changed across different historical periods, learning a range of styles and movements and performing dances inspired by each era.

RE

We will be learning about the fifth pillar of Islam- Pilgrimage to Hajj and why it is important to Muslims.

Computing

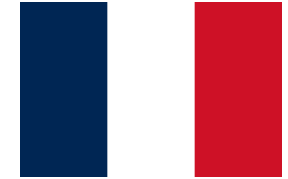

Children will be applying their previous learning in programming into the topic of Variables in games. They will experiment with variables in an existing project, then modify them, before they create their own project.

Homework

Children will be set homework every week. This will be a mixture of maths, grammar and reading. It will be completed on lbq.org and CGP books.

French

We will be learning the French words for family members. They will spend time learning basic vocabulary before applying this into spoken sentences.

PSHE

Dreams and Goals

We will be thinking of ways to motivate us to make the world a better place. We will raise money for a chosen charity.
