

Year 4

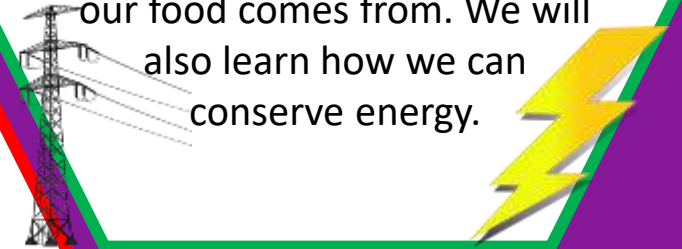

Maths

This half term we will continue to develop their understanding of multiplication and division. We will also investigate length and perimeter.

Geography Enough for Everyone

In Geography, we will learn all about what humans need to survive. We will learn about energy, renewable and non-renewable power and where our food comes from. We will also learn how we can conserve energy.

Science Sound

In Science, we will be investigating sound. We will learn what sound is, how the ear works and conduct a number of experiments to help us understand pitch and volume.

English

In English, we will be reading *The Boy Who Harnessed the Wind* and writing diary entries and biographies inspired by the story.

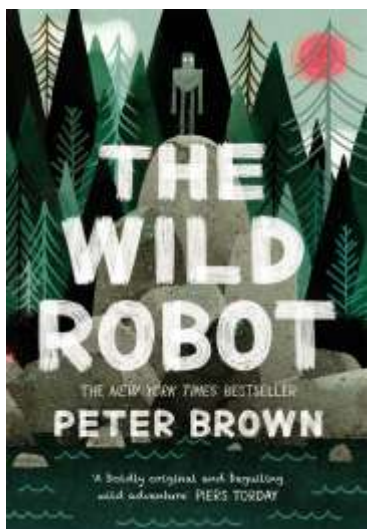

DT

In Design and Technology, we will be investigating electrical systems and creating our own torches.

Spring 1

Key Texts

PE

In PE, we will be continuing swimming and will develop our skills in touch ball.

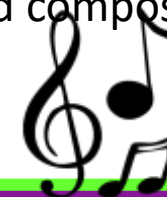

ENRICHMENT

We will be celebrating World Religion Day this half term!

Music

All the learning is focused around one song: Stop! - a rap/song about bullying. We will learn about the interrelated dimensions of music through games, singing and composing.

Computing

In Computing, we will create programs by planning, modifying, and testing commands to create shapes and patterns. We will use Logo, a text-based programming language.

RE

This half-term we will be learning all about Sikhism. We will learn about how Sikhs express their beliefs by what they wear and how they act.

PSHE

In PSHE, we will be investigating 'Dreams and Goals'. We will be thinking about our own hopes and dreams and setting goals for ourselves in the future.

French

In French, we will be learning all about playtimes.
