

Year 2

Maths

This half term we will be looking at multiplication and division, money and length and height.

Geography

In Geography, we will be looking at the features of a coastal resort.

We will be comparing the coastal resorts of Blackpool, UK and Melbourne, Australia.

Science

Plants – light & dark

Children will know how to group plants in different ways. They will know how to name and identify parts of common plants and trees (stem, roots, leaves, Petals, trunk, branches, blossoms)

Bulbs and Seeds

They will know the differences between bulbs and seeds

Art

In Art, we are looking at aboriginal art. We will be creating our own pieces of artwork.

Spring 2

English

In English, we find out about Bob when we read 'Man on the Moon'. We sequence the events and innovate our own narrative recount. We then write a persuasive advert to persuade our readers to visit the Moon Hotel.

Key Texts

PE

Children will explore:

- Bouncing a ball
- Kicking different objects
- Kicking with accuracy and control.

RE

We will be learning about Islam in Spring 2. We will ask questions such as 'Why do Muslims believe it is important to obey God?' and explore the five daily prayers of Islam.

Computing Pictograms

We will be collecting data and representing it using an app.
We will present data and pose questions.

Music

We will be learning to sing the song Zootime.

We will also be looking at playing the glockenspiel.

LIFE SKILLS HEALTHY ME

We will learn how to keep ourselves healthy and the importance of relaxing.
We will look at food groups, designing a healthy snack. We will find out about how medicines help us too.
