

Year 4

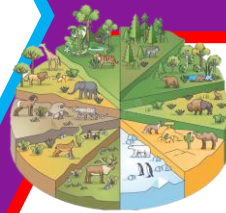

Maths

This half term the children will be learning about decimals, money and time.

English The Wishgranter

In English, the children will be watching the short film *The Wishgranter* and writing their own fantasy stories based on it. They will also be writing a non-chronological report about Good Luck Charms.

Science Habitats

In Science, the children will be learning all about the different types of habitats and classification keys. They will also learn about deforestation and rewilding animals.

History

Terrible Tudors

In History, the children will be learning all about the Tudors. They will learn who the Tudors were and why they are significant. They will learn about Henry VIII and his six wives and how he changes the religion of England.

Art Printing

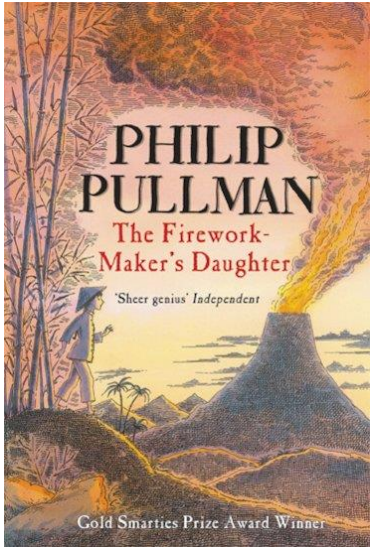

Inspired by the work of William Morris, the children will be developing their printing skills to create their own wallpaper design.

Spring 2

Key Texts

PE

In PE, the children will be learning to develop trust and exploring the school grounds in a number of trials. They will also be develop their skills at Boccia.

ENRICHMENT

Trip to Turton Tower!

Music

All the learning is focused around the song: Blackbird. The children will analyse the song and learn to sing it.

THE BEATLES Blackbird

Computing

In Computing, the children will be investigating photo editing. They will learn how to clone, copy, recolour and combine images. They will also analyse how photos have been edited in real life.

RE

This half-term the children will be learning all about Islam and answering the question of why Muslims fast during Ramadan.

PSHE

In PSHE, the children will be investigating 'Relationships'. They will be learning about conflict in relationships and develop strategies for resolution.

French

In French, the children will be learning vocabulary linked to the topic Out of this World.
