

Year 2

Maths

This half term we will be looking at length and height and mass and capacity. We will also be starting to look at fractions.

Geography

In Geography, we will be looking at the place we live in, Burnley.

We will be exploring different types of houses, the houses in Burnley, the jobs in Burnley and the role of a local councillor.

Science

Living Things and their Habitats

We will be exploring habitats in our local area. We will compare them to other habitats ie desert, ocean and polar and explore what habitats animals and plants need to survive.

English

In English, we are exploring the short film 'Bubbles.' We will be writing an adventure story from the perspective of the character in the film.

DT

In DT, we are looking at the place we live in, Burnley. We will be using our sewing skills to create bags which advertise Burnley as a place

Summer

1

Key Texts

Bubbles

a film by
gabby zapata

PE

Children will explore:

- Fielding and striking
- Outdoor games

ENRICHMENT

- Jobs fair
- Meeting our local councillor
- Walk around our local area

Music

We will be learning to sing the friendship song.

This half term we will be concentrating on singing.

Computing

We will be looking at how we can create music digitally. We will be exploring different pieces of music and having a go at composing our own.

RE

We will be learning about Christianity and discovering what a church is.

LIFE SKILLS

Relationships

We will be exploring what a family is. We will be looking at what is a good relationship and how to deal with conflicts within relationships.
