

Year 1

Maths

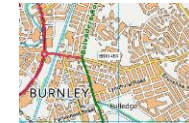

Children will be learning about multiplication and division and fractions.

Geography

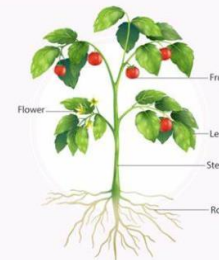

What's it like where I live?

In this unit, the children will be learning about their local area. They will be using OS maps and becoming more familiar with compass points.

Science

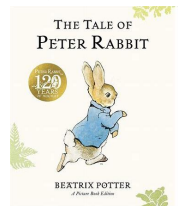

Children will learn about plants. They will be able to identify different types of plants and trees and how to identify the differences between them.

English

Peter Rabbit

We will be exploring our films unit, Peter Rabbit. We will write our own version of the story and instructions for sneaking into Mr McGregor's garden.

DT

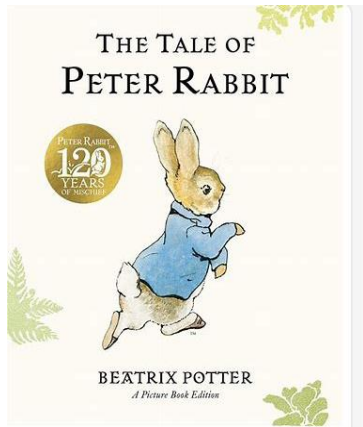

In DT, we will be exploring Wind turbines, making working models. We will research James Blyth and discover different techniques of cutting and folding.

Summer

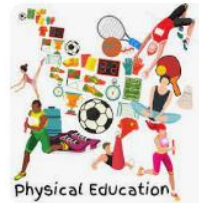

1

Key Texts

PE

In PE, we will be developing our Fundamental movement skill of overarm throwing and we will be applying skills to our striking and fielding unit of cricket.

ENRICHMENT

To explore the local area

Computing Creating digital text

The children will develop their understanding of the various aspects of using a computer to create and manipulate text. They will become more familiar with using a keyboard and mouse to enter and remove text.

Music

In this unit of work the children will be on the unit 'use your imagination'. They will Listen & Appraise other styles of music and continue to embed the interrelated dimensions of music through games and singing..

RE

Hinduism

What do people say about God?

What do people believe about God?

We will be learning about Hinduism and their beliefs.

PSHE

Relationships

We will be learning about how we develop positive relationships with our family and friends.
