

Cygnets

Maths

Pupils will continue developing their understanding of number, shape and measurement through a range of practical activities. Pupils will work at their own pace.

English - RWI

Pupils will access Phonics through multi-sensory lessons at their own pace. Pupils will also be exploring a range of texts to promote a love for reading.

Science

Life Processes and Living Things.
Pupils will learn about a range of animals and bugs. They will learn about the life cycles of a chick, butterfly and a frog.

History Super Me

Pupils will learn all about Florence Nightingale and how she helped lots of people. We will also learn about other people that help us.

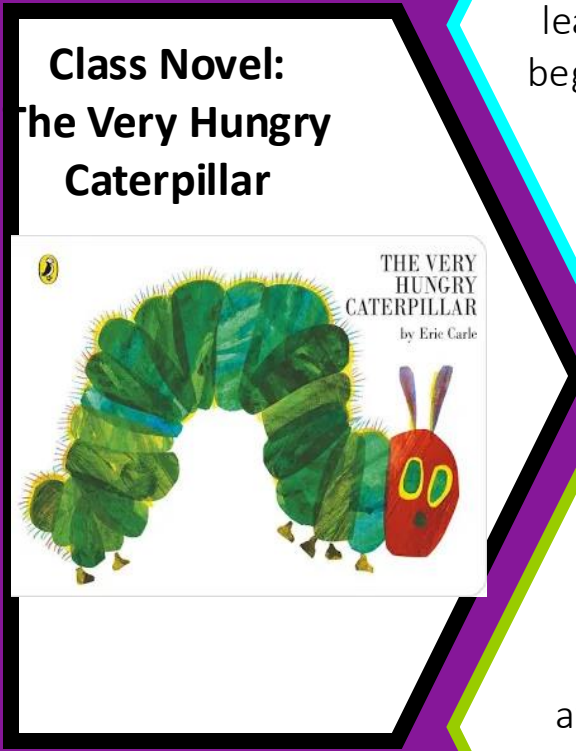

ART Textiles

Pupils will learn how to create pieces of art using a range of textiles. Pupils will also learn how to use tools safely how to express their likes/dislikes.

Summer

1

**Class Novel:
The Very Hungry
Caterpillar**

PE

**Agility: Ball Chasing / static
balance: floor work.**

Pupils will explore the different ways we can move our bodies. Pupils will learn a range of balances and then begin to use these to help them kick and throw a ball.

ENRICHMENT

Our curriculum is enriched by our THRIVE approach to learning.

Computing

**Computer Science and
Information Technology**

Pupils will be able to recognise different types of technology. Pupils will begin to explore activities for longer periods of time.

Music

**Exploring rhythm, patterns
and pulse.**

Pupils will explore different rhythms through playing a variety of instruments. Pupils will begin to add sound effects to stories.

RE

Islam

Pupils will explore 'belonging' within their class and school community. Pupils will become aware of school routines and their environment.

PSHE

Relationships

Pupils will learn about family, friendship and kindness. Pupils will be encouraged to work together and also learn about how to recognise and manage their feelings.

THRIVE

Pupils will focus on developing their turn taking and sharing skills through group time and co-operative play.
