

Respect Acceptance Ambition Resilience

Dear Parents/Carers,

Welcome back everybody! I hope you all had a restful and enjoyable Easter break, with time to relax and spend with family and friends. It has been lovely to welcome our children back to school and to see the enthusiasm and smiles return to our classrooms.

We look forward to a positive and productive term ahead, full of learning, challenge and opportunity.

Take Care, Mrs C Holgate, Headteacher

Thank you for your continued support. If you should have any questions or concerns, please do not hesitate to contact school to speak with us.

01282 226777

DATES: School will be closed on Monday 4th May for the Bank Holiday and will also be closed from Monday 25th May to Friday 29th May for Half Term Holiday.

Eagles	Aminah S & Bilal A
Kestrels	Fatima K & Carly H
The Nest	Delilah S
Pipits	Mubariz H

Winning Team - FIRE 

BRONZE Award - Muawiyah A, Ibrahim A, Bilal A, Saad M, Shehzaab M
SILVER Award - Yusuf A

Gold Award Certificate - Ismaeel J, Tobias F B, Maten K, Rubab A, Nayel T, Jayden O, Shar S, Husnain S, Mikail M, Maira M

Breakfast Club is available to all our children **from 7:45am each morning** in the school hall. We provide a healthy breakfast, including juice, for the children and then complete a fun, active, and engaging activity from 8:15am until the start of the school day. It is **only £1** for each child or free for any children that qualify for Pupil Premium. If you think you can qualify for Pupil Premium, then please contact the School Office.

CYGNET Autism Training

The Cygnet programme was developed by Barnardo's with the support of parents and/or care givers, FOR parents and care givers!

The course aims to create a supportive environment of carers who may be experiencing similar challenges, and to present information on autism that provides opportunities for you to consider and adapt and/or reinforce the way you support your child's needs.

Some of our Year 5 and 6 children who attended the T1 Rugby after-school club during the Spring term, recently had the exciting opportunity to put their new skills into practice. They took part in a friendly competition held at Holy Trinity Primary School, where they competed against other children who had also been taking part in similar training. Throughout the event, the pupils demonstrated great enthusiasm, teamwork, and determination. They played a series of mini matches, applying the passing, positioning, and game awareness they had developed over the term. It was fantastic to see their confidence grow on the field, and they represented the school brilliantly with their positive attitudes and sportsmanship. Well done to everyone who took part!

We have watched the daffodil bulbs grow into flowers. We used magnifying glasses to look carefully at the different types. The potatoes are growing too – the leaves have appeared in the planter.

We listened to the story of the Hungry caterpillar as caterpillars will begin to appear now it is Springtime! We then created butterfly prints – wow it was like magic!! We talked about the special patterns.

Owlets

Reception

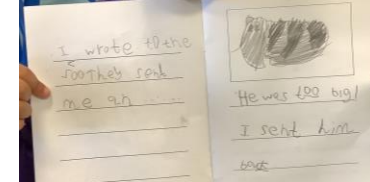

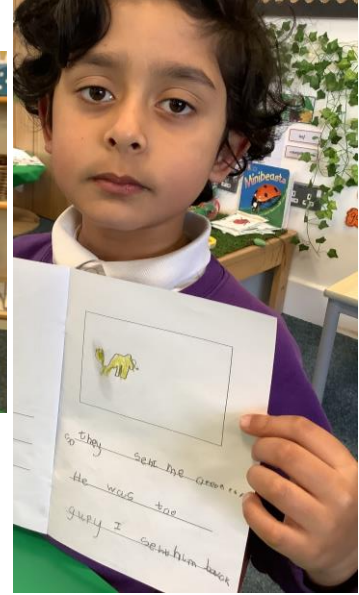

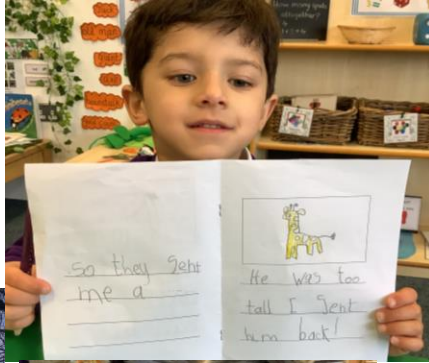

Eaglets

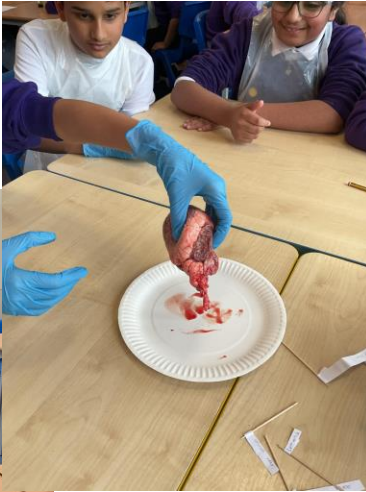

Chicks

We visited the woodland area to look for the signs of Spring.

The children created their very own Dear Zoo booklets. They thoroughly enjoyed being both the author and illustrator, taking great pride in their work.

Kestrels

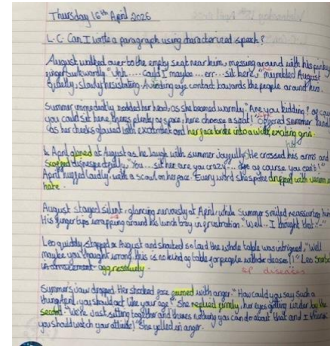

Y6

Eagles

In Science, we explored the structure of the heart by dissecting a sheep's heart. The children carefully identified and located the left and right ventricles, left and right atrium and the aorta. This activity helped bring our learning to life, showing how the heart pumps blood around the body.

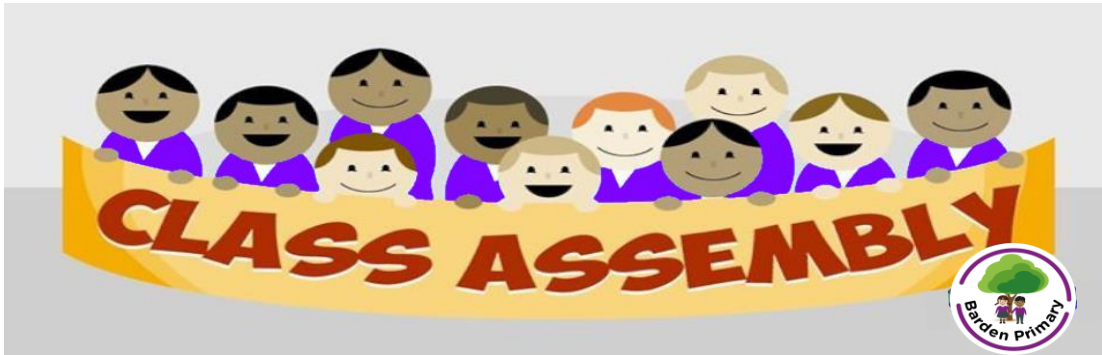

In English, we have been writing paragraphs using characterised speech based on *Wonder*. The children worked hard to show personality through dialogue, thinking carefully about how characters speak and behave. They used actions and reporting clauses to bring their writing to life and create clear, contrasting characters.

In PE, we have been developing our hockey skills. We practised dribbling with control, passing accurately and working as a team during small-sided games. The children showed great determination and teamwork, improving their confidence and coordination each week.

Join us for our upcoming class assemblies! We will be showcasing the learning that has taken place in class. Afterward, you can spend time with your child looking at their books. Then, enjoy a drink and some snacks with us back in the hall. We look forward to seeing you there!

Date (Thursday usually)	Class
Wednesday 1st October 2025	Jays
9th October 2025	Puffins
23rd October 2025	Kingfishers
Wednesday 12th November 2025	Blackbirds
