

# Swans

## Maths

Children continue learning at their own level. We keep our learning practical and active. We will be moving on from shape this term and looking at repeating patterns before consolidating addition and subtraction.

## Science Forces

One different forces through play before beginning an investigation about friction and the effects of friction on movement.

## History

### Burnley

The children will learn about the history of Burnley – what are the similarities of Burnley then and Burnley now?

## English

Children are continuing to develop their recognition of speedy sounds and apply Fred Talk to spell out new words. The children follow the Read, write inc. scheme at their own pace and are now beginning to 'get writing'.

## Art

### Painting

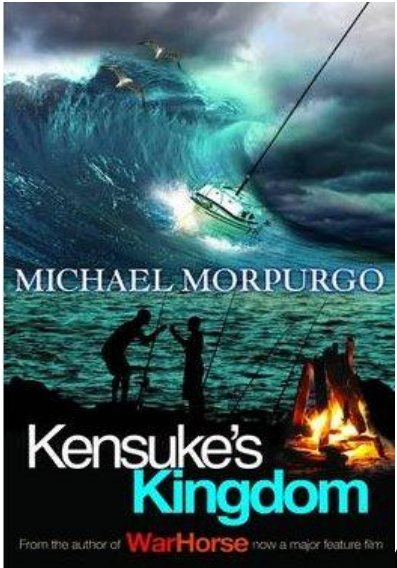

The children will compare their Van Gogh work from last year with a new technique, pointillism, used by Seurat.

# Summer

# 2

## Class Novel:

## PE

Children are learning about coordination and exploring it through our topic of 'Dance Around The World'. We will also continue with our ball skills, balance and coordination work during our outdoor

lessons.

## ENRICHMENT

Our curriculum is enriched by our THRIVE approach to learning.

## Computing Paint

We will be supporting our paint topic in art by looking at digital paint programs. We will continue looking at Vincent Van Gogh's work to create a digital version of our hand painted art work.

## THRIVE

We are developing our understanding of self by sharing in messy projects alongside our peers.

## Music

### Reflect, Rewind, Replay

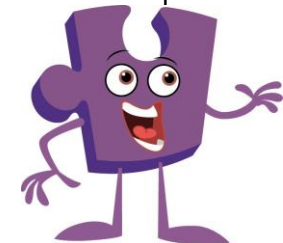

We will listen and appraise different songs and contributing to a final group piece of music from the Charanga scheme of work.

## PSHE

### Changing Me

We will be learning about how animals grow and how we change and grow. We will learn about turn taking and sharing with our peers.

## RE Muslim

Our children will learn about how to be kind and care for others in their community. We will explore religious festivals and join in with Eid celebrations in school.
