

Year 1

Maths

Children will be learning about place value within 100, money and time.

History

We're all going on a summer holiday.

In this unit, the children will be learning about holidays today and in the past. We will find out how holidays differ today than in the past.

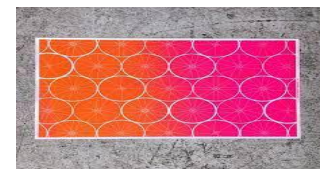

Science

Children will learn about plants. They will be able to identify different types of plants and discuss what they need to grow.

ART

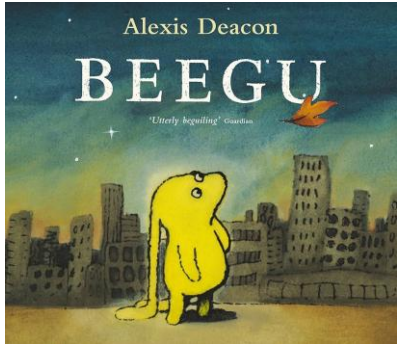

In Art we will be looking at the artist Dan Mather. We will use his work to inspire our painting and printing using primary and secondary colours.

Summer

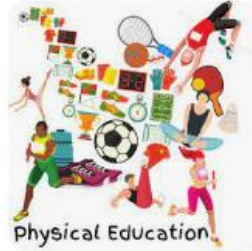

2

Key Texts

PE

In PE, we will be developing our striking and fielding skills and athletics.

Physical Education

ENRICHMENT

Blackpool Zoo Trip

Computing

Children will be introduced to on-screen programming through ScratchJr. We will explore the way a project looks by investigating sprites and backgrounds. They will use programming blocks to use, modify, and create programs.

Music

Reflect, Rewind and Replay

In this unit of work the children will Listen & Appraise other styles of music and continue to embed the interrelated dimensions of music through games and singing.

RE

Christianity (Church)

How might some people show that they 'belong' to God?
Baptism, belonging

PSHE

'Changing me'

In this unit the children will learn that everyone is special and unique. They will learn that everyone changes and that we must respect the changes that we see.
