

Maths

This half term we will be looking at time, statistic and position and direction.

History

In History, we will be exploring the Great Fire of London. We will be comparing London then to London today and seeing how the fire changed London.

Science Wildlife

We will be learning what wildlife is and why it is important to care for it. We will also be learning how to care for wildlife in our local area.

Art

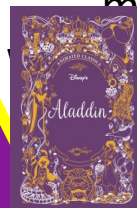

In Art, we will be looking at the technique of collage. We will be using our topic of the Great Fire of London to inspire us in our collages.

English

In English, we are exploring the story of Aladdin.

We will be looking at creating our own descriptive writing based around the magic carpet ride.

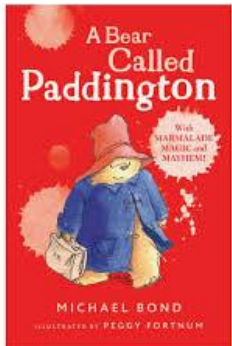

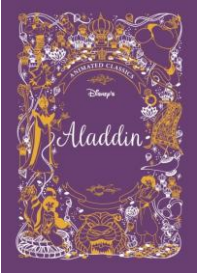

We will then explore poetry and write our own shape poems.

Year 2

Summer 2
