

# Studybugs for Parents and Carers

A better, safer way to report when your child is sick and off school.

Download the **Studybugs app** OR visit <https://studybugs.com/about/parents>

1. Click **Register Free!**
2. **Type your full name, email and choose a password,** before clicking “register”.

## Your Full Name

Ann Other

## Your Email

Ann@yahoo.com

## Set a Password

••••••••

By clicking the button you agree to our [privacy notice](#) and [terms](#).

3. Follow the arrow to add your child - **click edit**

Welcome to Studybugs!  
Start by adding a child here.

4. **Fill in** your child’s full name, and **their school’s name.**

Choose the correct school from the list.

Drop image above  
or [select file](#)

## Add a Child

Please enter your child’s full name and school.

The picture, date of birth and gender help customize things for you and are optional.

Full name

School

St Trinian's School

No school (eg they're too young)

Date of birth

eg 1 Jan 09

Gender

Unspecified

Consent

I consent to Studybugs processing my child's information.

This includes sick reports you post and share with your child's school.

Save

Cancel

5. **Tick the “consent” box -** so the school can receive your reports then **click save**

## When your child is ill let the school know via Studybugs:

Click on the name for the child you need to report absence for (if you have more than one on Studybugs) then **Type in the symptoms** your child has and **click “post”**

The screenshot shows a vertical list of child names: 'N', 'F', and 'Sa'. The 'F' name is highlighted with a purple circle. To the right, the text reads 'What seems to be the problem with Fiona?'. Below this is a text input field containing the placeholder 'Type symptoms here'. A checkbox labeled 'Tell Hogwarts he's off today' is checked. At the bottom is a blue 'Post' button.

If you need to send a different message - i.e. running you're late; notice of an upcoming medical appointment; a change of plans etc. **you can send “other message” [via the app](#)**

1. Simply click the new message icon , followed by “send other message”
2. Choose the respective school and child you wish to send your message about, before typing in the text box at the bottom of the screen.

The screenshot shows the 'New Conversation' screen. At the top is an orange header with a back arrow and the text 'New Conversation'. Below this, the recipient is set to 'Hogwarts' (indicated by a yellow 'h' icon). Underneath, there are four options for the child: 'Fiona', 'Nick', 'Sarah', and 'Sky', each with a radio button. The 'Sarah' option is selected. Below the child selection, there is a text input field with the placeholder 'This is about something else'.

OR select “**this is about something else**” to type a general message to the school.

This screenshot is similar to the previous one, but the text input field now contains the message 'What is this about?'. A red minus sign is visible on the right side of the text box. At the bottom of the screen, there is a text input field with the placeholder 'Type your message' and a blue microphone icon.
