

# Year 3

## Maths

Addition and Subtraction  
of numbers up to 1000.

Multiplication and  
division.

1000

## English

Children will develop their  
narrative writing skills by  
planning, writing, and editing  
their own stories based on folk  
tales.

Children will begin to use  
conjunctions in their writing as  
well as writing subordinate  
clauses.

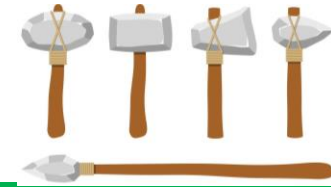

## Science

This term, children will have  
the opportunity to explore  
forces and magnets. They will  
discover the differences  
between contact and non-  
contact forces and how  
magnets attract and repel.

## History

Children will learn about  
the Stone Age, Bronze Age  
and Iron Age. They will  
learn about how life, tools  
and homes changed over  
time.

## Art

In Art, children will learn all  
about ancient cave paintings,  
which is linked to our history  
topic "Savage Stone Age."  
Children will explore where  
cave paintings originated,  
including the tools, textures,  
lines and shapes used to create  
them.

# Autumn 2

## PE

Children will have the opportunity to explore movement through dance. They will also learn skills to use in rugby.

## RE

Children will learn about Islam. They will look into why the Prophet Muhammad (peace be upon him) is a good example for Muslims.

## ENRICHMENT

Falcon Forest School

## Computing

Children will discover how stop-frame animations are created and learn the skills necessary to create their own.

## French

Children will be learning how to say the days of the week, colours and numbers to 20 in French.

## Music

Children will have the opportunity to make music using the glockenspiels. Children will learn the different notes and play them to create a song.

## PSHE

This term's topic is "Celebrating Differences." Children will explore how there are different families and understand that not all are the same.

## Key Texts
