All the learning is focused around one song: Lean On Me. Our learning will be an integrated approach to music where games, the interrelated dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments are all linked.

Computing

We will look at how and why data is collected over time. We will consider the senses that humans use to experience the environment and how computers can use special input devices called sensors to monitor the environment. We will collect data as well as access data captured over long periods of time.

PSHE

This terms puzzle piece is about healthy me. We will look at how to keep ourselves healthy and what we can do if people put us under pressure and how to resist this.
