

Year 5

Maths

Children will begin the year developing their knowledge of place value, learning to write numbers to 1 million and round up to 6-digit numbers.

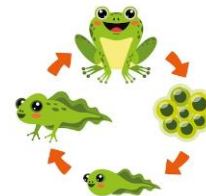

Children then move onto addition and subtraction, learning to add and subtract up to 6-digit numbers.

English

The Lion the Witch and the Wardrobe. Children will write a non-chronological report on a mythical creature and will create their own narrative based on the story.

Science

Children will learn about the life cycles of living things. Children look at the life cycles of mammals, birds, amphibians, insects and plants.

Geography

Our topic is **The Americas**, focusing on the human and physical features of North and South America.

DT

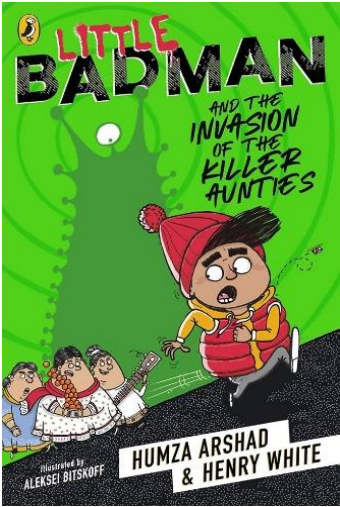

Textiles: Souvenir T-Shirts
Children will design, make and evaluate a souvenir t-shirt from a country in The Americas.

Autumn

1

Class Novel

PE

Children will develop their skills in dance and netball.

ENRICHMENT

We will observe the life cycle of caterpillars and watch them transform into butterflies.

Computing

Computing systems and networks. Children will develop their understanding of computer systems and how information is transferred between systems and devices.

Music

Children will be using the recorders to play and sing along to Livin' on a Prayer by Bon Jovi.

RE

Christianity: Why is it sometimes difficult to do the right thing?

PSHE

This half term's topic is called Being Me in My World. Children will discover the rights and responsibilities we have to make school a fair place.

French

On Holiday: Children will be able to name more countries and holiday accommodation.
