

Dear Parents/Carers,

We are writing to inform you that, unfortunately, the school trip for the children in Kingfishers has been cancelled due to unforeseen issues with the site where the planned workshop was to take place. We understand that this may be disappointing, but we want to assure you that the children have safely returned to school, and will be picked up at the usual time today. The children showed incredible respect and resilience whilst this was being sorted and were, as always, a credit to the school and yourselves!

We will be issuing a refund for the cost of the trip, but we kindly ask for your patience as this process is completed. You will receive more details about the refund shortly.

In place of the original trip, we are excited to share that we are in the process of rearranging the workshop experience for the children. It is likely that the workshop will now take place in school, rather than at the planned off-site location. We will provide further information once the details are confirmed.

Thank you for your understanding, and we will keep you updated on any further developments.

Kind regards,

Mr Coombs
